GENESIS OF GRI

Gandhigram had its genesis on 7th October, 1947. It progressed and expanded remarkably in the areas of rural community development under the dynamic leadership of its founders Dr.G.Ramachandran and Dr.T.S.Soundram Ramachandran, dedicated disciples of Gandhiji. Drawing huge inspirations from the ideas of Mahatma Gandhi, they worked with enormous amount of zeal and commitment for the betterment of the rural people in the vicinity and it was their unstinting dedication and unwavering faith in Gandhian ideals that has made Gandhigram what it is today.

'Gandhigram' was inaugurated by the Father of our Nation Mahatma Gandhi on 7th October 1947 with a powerful message "Success Attends where Truth Reigns". Since then, Gandhigram has been a hub of community development.

The Gandhigram Rural Institute of Higher Education was started in 1956 to bring higher education closer to the villagers. The significant educational experiment, broadly conforming to the recommendations of the Dr.R.Radhakrishnan Commission relating to rural universities and rural colleges, was inaugurated by Dr.R.Rajendra Prasad, the then President of India on August 1956. The first academic block of the Institute was opened by the former Prime Minister of India, Jawaharlal Nehru on December, 1957. Right from its inception, the Institute is fully funded by Government of India (the then Ministry of Human Resource Development) Ministry of Education, New Delhi.

- The Institute is situated on a serene and verdant campus environment spreading over 207 acres of land, and most of these lands were donated by the villagers voluntarily with the hope that their children will get education and employment.

- The eleven rural institutes were established by the Ministry of Education, Government of India in the year 1956, and GRI was one among them. The Central Government has been providing funds to the institute since year 1956. While most of the

rural institutes were closed, the GRI **remains alive and vibrant, rendering yeoman service to students and village communities.**

- The most important educational experiment of Gandhigram is the system of education envisaged by Gandhiji in the form of 'Nai Talim' which is founded on the ideal providing basic education to the rural people is a basic requirement for rural development. The Institute has been fostering innovations in extension and rural development activities and as a result has been credited with praiseworthy best practices.

- The Institute has grown by leaps and bounds and it was conferred the status of Deemed to be University in the year 1976 by the then Ministry of Social Welfare and Education (now ministry of Education).

- Pandit Jawaharlal Nehru, Smt. Indira Gandhi, Shri Morarji Desai, Shri C.Subramaniam, Shri K.Kamaraj, former Chief Minister of Tamil Nadu, Honourable Presidents of India Shri R.Venkataraman, Shri A.P.J.Abdul Kalam, among others, Honourable Vice-President of India Shri Hamid Ansari, many noted freedom fighters, national leaders and international figures including Shri Khan Abdul Ghaffar Khan, Shri Martin Luther King Jr., have visited the Institute at different points of time.

- The Chancellor and Vice-Chancellor are appointed by Government of India. Vice-Presidents of India were the Chancellors of the University till 2012. The Government appointed Ms.Renana Jhabvala, Chairperson of SEWA Bharat (Self Employed Women's Association) as Chancellor for a term of 5 years from 30th March 2012 to 29th March 2017. Dr. KM. Annamalai, a renowned Physiotherapist and Social Activist has been Chancellor since 20th April 2017.

- Dr.B.Subburaj, Senior most Professor GRI has been performing the duties of Vice-Chancellor of the Institute since 01.07.2020.

ABOUT THE INSTITUTE

Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, beloved 'Mama' Dr.G.Ramachandran and beloved 'Amma' Dr.T.S.Soundram, has its foundation in Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focuses on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education.

The Institute which is controlled by the Ministry of Education, Government of India and fully funded through UGC, New Delhi has developed academic programs in rural development, rural economics and extension education, rural oriented sciences, co-operation, development administration, rural sociology, English, Tamil and Indian languages. The institute runs B.Tech. in Civil Engineering with focus on habitat development and M.Tech. in Renewable Energy. The institute also offers B.Sc Agriculture program.

GRI is quite active on both campus and rural areas in the vicinity, benefitting and enriching one another. Besides, its contribution to teaching, from diploma, degree and all the way to post-doctorate levels, the Institute applies the learnings from both scientific and social research to solve contemporary rural problems. The curriculum is a combination of theoretical, practical and extension experiments. The Institute has become home to many pioneering models of rural development programmes. The students and scholars who emerge from its portals tend to meet the personnel needs of rural development programmes under various governmental and non-governmental organizations.

The three dimensional approach of education namely teaching, research and extension has become a highly celebrated model, earning global and nationwide appreciation. Started in a small way, the Institute has evolved into a reasonably large and expansive educational complex comprising of 8 Schools, 16 Departments and 12 Centres offering a whopping

126 academic programs, ranging from certificate courses to Graduate programmes, Doctoral, Post-Doctoral Programmes. At present the Institute has 3724 students, including Ph.D. Scholars, and 185 teaching and 234 non-teaching staff.

The curricular model developed at GRI originally integrating teaching, research and extension has earned the Institute, the status of Deemed to be University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC and again 'A' Grade in its third cycle of accreditation in the year 2016.

Thus the Institute has been taking efforts to design its academic programs in tune with the demands of the society and industry by providing a learner-centric, transparent teaching and evaluation methods. Through the action-oriented research and scientific research, the Institute contributes substantially to the research domains and concentrates on solving the rural issues at micro levels. The participatory and decentralized governance of Gandhigram Rural Institute strives for achieving global standard of excellence in all the dimensions of education without compromising on its rural character and Gandhian values.

Deen Dayal Upadhyay – Kaushal Kendra (DDU-KK) was established as a centre for imparting skill based education as a special initiative of University Grants Commission, New Delhi in 2014-15. There are eight B.Voc programmes and one Diploma programme under DDU-KK. These programmes groom students for employment ready status and all the passed out students have got right employment in the nearby industries in Tamil Nadu. The programmes are run with industrial partners through Memorandum of Understanding (MoUs) and other linkages.

Objectives

The Objectives of the Institute are:

1. To provide for instruction and training in such branches of learning as will promote a classless and casteless society;
2. To provide for research and advancement and dissemination of knowledge; and
3 To function as a centre for extension work leading to integrated rural development Campus

Campus

The Gandhigram Rural Institute is spread over 207 acres in a rural setting, nestling in one of the enclaves of the beautiful Sirumalai range. To its west is a chain of mountains including the beautiful Kodai Hill. Lying north of Madurai, Gandhigram is easily accessible by rail and road. The climate of the place is pleasant all through the year and the panorama of nature surrounding Gandhigram is pleasing and inspiring.

The nearest railway station is at Ambathurai, the nearest railway junction is at Dindigul and the nearest city is Dindigul. The nearest airport is at Madurai.

BEST PRACTICES

The Institute is deeply aware of its responsibility to foster and sustain those aspects of Indian cultural heritage that stood the test of times and continue to have relevance for contemporary times. Thus, in true Gandhian spirit, the institute is committed to promoting communal harmony and humane governance and inclusive rural development. It aims at striking a balance between the old values of simple and spiritual life that are worth retaining and the new ones tempered with modernity, rationality and science. Fortified with these values, the Institute aspires to groom and prepare the student community for harnessing the promising opportunities of and for facing newer challenges of the 21st century.

The activities detailed in this section exemplify the spirit mentioned above. These activities are unique to GRI and have the potential to be regarded as “Best Practices” of GRI.

DAILY PRAYER

All working days of Institute (except during End Semester Exam period) begin with the congregation of students and staff members at Bell Maidan,to join morning prayer at 9.20 a.m. Such congregation has a refreshing and renewing effect on the minds and hearts of those gathered under the canopy of the vast peepal tree. The Prayer begins with a spiritual song meant for each day of the week, followed by a reading of an evocative 'thought for the day'. Significantly, the prayer songs and recital of inspirational quotes from eminent thinkers are performed by students of different Departments that are designated, on a rolling basis, to organize the Daily Prayer for one week in every

semester. This develops artistic, public speaking and organizational skills in the students.

The occasion of the prayer is also used for making important announcements, felicitating academic/sports achievers and introducing renowned guests/visitors who have visited the Institute and chosen to participate in the morning prayer. The Daily Prayer, by bringing students and staff together, personalizes the relationship between students and staff as well as among students of different programmes, even, as it reaffirms a sense of belonging to GRI in them.

INTER-RELIGIOUS PRAYER

Inter-Religious Prayer and Inter-Faith Dialogue are the cherished ideas of Gandhiji to promote communal harmony and peaceful co-existence. Deeply inspired by this ideal, Gandhigram Rural Institute encourages the assembly of all its staff and students on all working Fridays at 4.00 pm, in the hallowed Multipurpose Auditorium for Inter-Religious Prayer. Organized and managed entirely by the students of the Institute, this solemn activity involves singing devotional songs of all major faiths, alternated by recital of selected verses from Bhagavat Gita, Holy Quran and Holy Bible. Occasionally, religious leaders professing any one of the major faiths are invited to deliver talks and lectures in an effort to promote inter-faith understanding. What had begun as a prayer programme, has, over a period of time, evolved into a GRI community get-together, to share and brief the GRI activities to one another. Hence, latter half of the programme is devoted to informing the significant happenings and notable achievements of the different Departments of the Institute in the form of a news compilation called 'GRI Valam' (GRI Roundup).

SHRAMDHAN

The Gandhian concept of Nai Talim (Basic education) is built on the foundational idea that knowledge and work (understood as physical labour) are originally linked and derive their essence from one another. Shramdhan (Serving by labouring) is a Gandhian way of celebrating physical labour. Right from its inception Gandhigram Rural Institute has accorded Shramdhan a pride of place in its corporate life as well as in its curriculum. Every week, an hour's time of class work is set aside for Shramdhan activities in the time-table of all Diploma, UG, and PG programmes. During this hour, all

students, scholars and staff enthusiastically and collectively engage themselves in cleaning of class rooms, offices, laboratories as well as the surrounding areas of the Departments. Besides undertaking cleaning work, tree planting, gardening and landscaping works are also taken up by them on days of national and international importance such as World Environment Day, World Earth Day, and the like. Shramdhan activities invariably generate deep respect for physical work in the minds of students and staff, in a society that tends to unjustly place higher value in mental work. In recent years the central Government's 'Swachh Bharath Mission' has given a new flip to the Shramdhan activities in GRI.

GURUKULA SYSTEM

Gurukula (Mentoring) system is as old as Gandhigram Rural Institute and is part of GRI ever since its inception in 1956. It is an age old system under the traditional educational world and it was operated in the original rural institute at Gandhigram. Further, the system has been continuing even after the declaration of the university status in the year 1976. All the Teachers and students, known as Gurus and Shishyas were soaked under the Gurukula System. Every Guru is made responsible for building and moulding the character of individual student with a view to uproot one of the social sins, “education without character” as identified by Mahatma Gandhi. However, the total personality of the students was shaped by Gurus under the educational system evolved by the founders of Gandhigram Dr.T.S.Soundram and Dr.G.Ramachandran - the founder Vice-chancellor of Gandhigram Rural Institute. It is envisaged that all-round development of the student in the Institute can take place through the Gurukula system. Such a system will no doubt shape the personality of the future generations. The GRI has been trying to follow the old system with some modifications based on its experiments and experiences with the above system.

Every year, the students admitted under the graduate, Post-Graduate and M.Phil. programmes are allotted Gurus. The number of shishyas allotted to each teacher is arrived at by dividing the total number of students in a class by the number of Gurus (Faculty Members) available in the concerned Department. The allotment is done fairly through a lot system to avoid arbitrary selections of shishyas. They meet the Gurus at the designated time (decided by each department and

incorporated into the weeklytimetable) each week to discuss their progress in studies, difficulties faced and other personal, interpersonal and career issues. These gurus also serve as their course advisor, career counsellor and well-wisher.

SHANTI SENA

Shanthi Sena, (Peace Corps) in GRI was founded in 1958, eighteen years before becoming a Deemed University. Since, GRI has always been a testing ground for many Gandhian experiments, the founding father of GRI, Dr. G. Ramachandran took upon himself the task of establishing within this institution of higher education a nonkilling alternative to military training Shanti Sena. Even when GRI, upon becoming a Deemed University, was presented with the choice to adopt National Cadet Corps (NCC), it chose to continue with Shanthi Sena instead. By doing it, GRI became the only educational institution in the whole of globe to have adopted this model.

Combining spiritual, physical, intellectual, and organizational training, the Shanti Sena prepared students for conflict resolution, security functions, disaster relief, and cooperative community service in response to community needs. The approach is always to work together with villagers to improve such things as childcare, sanitation, housing, and preservation of folk arts traditions. The Shanti Sena in GRI until recently assumed responsibility for campus security. No armed police is permitted on GRI campus or if permitted they used to play second fiddle to Shanthi Sena, even during visits by Presidents of India, Prime Ministers and other dignitaries. Besides providing security, when such dignitaries and prominent leaders visit the GRI campus, Shanthi Sena remains at the forefront in according them floral tributes and grand welcome.

The six-decade long experience of Shanthi Sena in GRI includes taking initiatives in peace building, promoting democracy and governance by conducting peace dialogues, inter-religious dialogues, youth exchange programmes, youth camps, leadership training programmes, sports for peace programmes and prohibition (abolition of arrack) in the neighbouring villages. They are actively involved in emergency relief, peace education, environmental conservation and providing community based health facilities in the rural areas nearby.From the academic year 2018-19 Shanti Sena has become the part of the UG curriculum.

YOGA

This is introduced as a compulsory course for all students who have been admitted from the academic year 2015-16.

GANDHIAN PRINCIPLES AND IDEOLOGIES

Students of this Institute study Gandhian life and experiments. Gandhian Ideologies, Gandhian Economics and Gandhian constructive programmes are incorporated in the curriculum. This enables them to develop tolerance and other ethical and moral values.

VILLAGE PLACEMENT PROGRAMME

All the students of the Institute are placed in the neighboring villages for a period of seven days. During their stay, the students understand rural environment, undertake household surveys, and prepare reports for development activities. They conduct medical and health care and literacy campaigns. The students undertake Shramdhan activities every day during their stay in the villages.

PROMOTION OF KHADI

Students and staff are encouraged to wear khadi dress. Beside, Khadi shawls are used to honour guests in the university functions. Traditionally, the graduates, Chancellor, Vice-Chancellor and members of academic bodies wear khadi shawls and caps in the annual convocation event.

OPPORTUNITIES TO LEARN ADDITIONAL LANGUAGE

A Language Lab and Studio attached to School of English and Foreign Languages is offering opportunities to learn a new language to students from any discipline. Specialized Instructors take care of training and teaching students. This enhances students'skills - communication and sort skills.

SPECIAL TRAINING FOR COMMUNICATION AND OTHER SOFT SKILLS

Special training for students is extended during the regular students from all disciplines. This is part of the syllabus carrying 2 credits. UGC has recommended the same for both UG and PG students.
